STAT 17. [] LIAISON Called Pat Perry, in the office of Representative Austin J. Murphy (D., Pa.), to inform her that the individual whose name she had previously asked me about is not an Agency employee.

STAT 18. [] LEGISLATION Called Mr. Howe, at the Civil Service Commission, about the Civil Service draft reform bill. He said the Administration's mark-up was in progress. He could not tell me definitely what had been added or deleted, although many changes were being made. He suggested that either Admiral Turner or the DDCI call the Chairman of the Civil Service Commission, Alan Campbell, since the changes were being made by Civil Service Commissioners, top OMB officials and White House staffers.

STAT 19. [] LEGISLATION Called Bob Carlstrom, Phoebe Felk and Hilda Schreiber, all of OMB, to check on the status of various views letters. (See Memorandum for the Record.)

STAT 20. [] LIAISON Per Bob Kelso's request forwarded to Mary Brooks, in the office of Representative Morris K. Udall (D., Ariz.), an FOIA letter that was sent to Chairman Edward Boland, of the House Permanent Select Committee on Intelligence, concerning their constituent, Mrs. Jose Raul Martinez Bernal, dated 22 February 1978.

STAT 21. [] LIAISON Per Marie Eckstein's request forwarded to Bob Baughman, in the office of Representative Cecil Heftel (D., Hawaii), and Elma Henderson, in the office of Senator Spark Matsunaga (D., Hawaii), a copy of the Agency's response to Mr. Glenn Kanemo Davis, their constituent, regarding his FOIA request for information.

TAT 22. [] LIAISON Jim Fellenbaum, on the staff of the Senate Appropriations Committee, called to say he was expecting a chance to brief Chairman Warren G. Magnuson (D., Wash.) in the afternoon and requested a sweep of Chairman Magnuson's office. I alerted Security.

23. [] HEARINGS Chuck Snodgrass, on the staff of the House Appropriations Defense Subcommittee, called to say the Subcommittee had set a firm set of hearing dates which were as follows: 21 March, 10:00 a.m., National Tactical Interface; 21 March at 2:00 p.m., NFIP Overview; 22 March, 10:00 a.m., NFIP Overview; March 22, 2:00 p.m., CIA; 4 April, 10:00 a.m. and 2:00 p.m., IRA. He said they had set the NFIP in the afternoon to accommodate the Director's time with the President. I said this meant the Director would not appear on the national-tactical issue and he said they recognized that and, while they would want him, it was not critical. After checking the Director's calendar, I called Snodgrass back and told him the Director would be out of town from March 18 to April 3. He said this might require that a substitute would have to appear on the NFIP. He will inform Ralph Preston, of the Subcommittee staff, of the problem.

25. [] LIAISON Jim Fellenbaum, on the staff of the Senate Appropriations Committee, called to say that he was asked by Chairman Warren G. Magnuson's (D., Wash.) office to check out the meeting with the Director on Tuesday, 28 February. Fellenbaum was told that Chairman Magnuson does not like courtesy calls, and if that was the purpose, to cancel. I told Jim we thought it was important because of the upcoming hearing.
